End of the Day	Play and Relax	
Evening 	Watch BSL Story. This will be on Seesaw.  	

Children to take photos of work they have completed and upload to Seesaw for us to mark and send back.
Children to upload for each subject: Literacy, Numeracy and Afternoon subjects e.g. Science, Art, Dance etc.

Parents: We will be in communication daily via Seesaw and expect children to continue working daily throughout the week.

We are asking children to complete their schoolwork every day.

We are asking children to join on zoom every day to remain in contact and run through the day's work together.

For each subject, one piece of work will be given which we aim for them to complete as independently as possible. Some children may need prompting, support or a little extra help, that is fine.

If you have any questions, concerns or would like to share positive news, please do contact us.

We are all here anytime and are very happy to support where possible.
