Fantastic Frank News

Hello and welcome to our third edition of Fantastic Frank News.

We are delighted to have our wonderful news club back and running. Please welcome to our new News Club members! We meet every Thursday at 12.30pm to discuss what to include in our termly newspaper. The children are responsible for all of the work and photography. They use their iPads to film all of their interviews with pupils and staff, find out information, do their own research and then type it all up. They even decide on the layout and where to put their photos and reports in the newspaper.

We hope you will enjoy our newspaper as much as the pupils have enjoyed creating it.
